Infant Deaths and Fetal Deaths

Number of Deaths and Rates: TDH, Bureau of Vital Statistics, Texas Vital Statistics Annual Report, 1997.

## Health Professionals

Note: All ratios have been calculated using 1997 estimated population data from the Texas State Data Center, Department of Rural Sociology, Texas Agricultural Experiment Station, Texas A & M University System, estimates for July 1, 1997, released October 1998.

Physicians (Direct Patient Care, General Practice/Family Practice, Obstetrics/Gynecology)  
Texas State Board of Medical Examiners, April 1997.

### Registered Nurses

Texas Board of Nurse Examiners, "Board of Nurse Examiners for the State of Texas, Report of Nurse Demographics, Currently Licensed RNs Residing in Texas by County and Employment Status," August 29, 1997.

### Dentists

Texas State Board of Dental Examiners, November 1996 (late 1996 count of dentists was used since 1997 count was not available).

### Participating Medicaid Physicians

Texas Department of Human Services, MI 704-02 Report, Active Medicaid Providers (by county of practice), August 1998 - October 1998, prepared on November 23, 1998. In some instances a provider will be counted more than once. This occurs when the provider bills with different provider numbers. For instance, he/she may have a private practice and participate in a group or clinic. When this occurs, the provider count for the county is overstated.

### Health Professional Shortage Areas (HPSAs)

TDH, Health Professions Resource Center, Bureau of State Health Data and Policy Analysis, "Primary Care Health Professional Shortage Area (HPSA) by Texas County," November 10, 1998.

### Medically Underserved Areas (MUAs) and Medically Underserved Populations (MUPs)

TDH, Health Professions Resource Center, Bureau of State Health Data and Policy Analysis, "Medically Underserved Areas (MUAs) and Medically Underserved Populations (MUPs) by Texas County," November 10, 1998.

---

## Health Facilities

### Acute care hospitals, licensed beds, and staffed beds

TDH, Bureau of State Health Data and Policy Analysis, "1997 TDH/AHA/THA Annual Survey of Hospitals."

### Disproportionate share hospital payments

TDH, Health Care Financing, Statistics and Analysis, Special Report, Fiscal Year 1997.

### Nursing homes, and licensed beds

Texas Department of Human Services, Bureau of Long Term Care, "Texas Department of Human Services, Long Term Care Regulatory, Directory of Nursing Facilities," January 5, 1998.

---

## Texas Department of Health Program Data

### Children's Health Services

Data provided for 11 Public Health Regions and the State. Research and Public Health Assessment, Associateship for Community Resources and Development, "Title V Unduplicated Clients by Program and County," WCHIPS Contractor Reporting database, Fiscal Year 1997.

### Chronically Ill and Disabled Children's Services

Bureau of Children's Health, Eligible Cases report for Fiscal Year 1997.

### Dental Health Services

Bureau of Children's Health, special reports, Fiscal Year 1997.

## **Texas Department of Health Program Data** (Continued)

### **Emergency Medical Services**

Bureau of Emergency Management, "Resource Distribution Report - Personnel," September 9, 1997, and "Provider Listing by County, Name," August 12, 1997.

### **Family Planning Services (Title V and Title XX)**

Data provided for 11 Public Health Regions and the State. Research and Public Health Assessment, Associateship for Community Resources and Development, "Title V Unduplicated Clients by Program and County," WCHIPS Contractor Reporting Database, Fiscal Year 1997, and Title XX, special report, Fiscal Year 1997.

### **Food and Drug Safety**

Bureau of Food and Drug Safety, special report, December 2, 1998.

### **Immunization Division**

Immunization Division, Associateship for Disease Control and Prevention, "All Doses Administered in Age Groups Less than 20 by FIPS, County, and PHR," calendar year 1997.

### **Radiation Control Program**

Bureau of Radiation Control, special report, 1997.

### **Women's Health Services**

Data provided for 11 Public Health Regions and the State. Research and Public Health Assessment, Associateship for Community Resources and Development, "Title V Unduplicated Clients by Program and County," WCHIPS Contractor Reporting database, Fiscal Year 1997.

### **Breast and Cervical Cancer Control Program, Mammograms Performed**

Bureau for Disease and Injury Prevention, special report, calendar year 1997.

### **Milk and Dairy Products Division**

Bureau of Food and Drug Safety, special report on business establishments regulated by the Milk and Dairy Products Division, Fiscal Year 1997.

### **Primary Health Care/COPC Services**

Research and Public Health Assessment, Associateship for Community Resources and Development, Primary Health Care Contractors Annual Report, Fiscal Year 1997.

### **Kidney Health Care**

Bureau of Kidney Health Care, 1997 Annual Report, Fiscal Year 1997.

### **Tuberculosis Elimination Division**

Bureau of Communicable Disease Control, "Completion of Drug Therapy for 1997", for tuberculosis cases completing drug therapy during 1997.

### **Women, Infants, and Children's Nutrition**

Research and Public Health Assessment, Associateship for Community Resources and Development, special report on unduplicated count of clients receiving benefits, Fiscal Year 1997.

### **Zoonosis Control**

Bureau of Veterinary Public Health, "1997 Laboratory-Confirmed Positive Rabies Cases in Texas."

### **Local Health Department Funding**

Office of Regional Administrative Services, "Local Health Agency Budget and Expenditure Report, Fiscal Year 1997."
